This Agreement is made between Water Installations and the property owner commencing on the date as stated above.

Water Installations, being a current certified Nova Grey Service Agent, agrees to provide servicing of the installed Nova Grey system at the above address as per the manufacturer's instructions and owner's manual requirements.

The above Customer agrees to allow Water Installations suitable access to the aforesaid system at all reasonable times as Water Installations may deem necessary to carry out such service and maintenance.

The above Customer also agrees to pay to Water Installations any extra service or maintenance charges that may arise from general equipment failure or from the Nova Grey system not being operated in accordance with the manufacturer's Operating Instructions or Owner's Manual. Consumables, if required, are an additional cost.

*It is a requirement by Local Government that a system owner has a valid Service Agreement with a licenced service agent.*
